**Long Beach, NY**

June 9, 2016

Ladies and Gentlemen:

The Long Beach Board of Education is the authorized state agency responsible for setting educational policy in the district. It consists of five trustees, each serving a three-year term. Board members pay school taxes at the regular rate and receive no salary or other financial compensation.

All meetings, except executive sessions, are held before the public. Members of the public may address the Board of Education on any specific agenda item during special time reserved for that purpose prior to Board discussion and action. The public may also address the Board of Education on any matter of concern at a second public session after the Board of Education completes agenda action items. Visitors should not address the Board in public relative to questions or comments regarding specific staff members or specific students. Such concerns should be brought to the attention of appropriate staff or to board members by telephone, in writing, or by scheduling a personal meeting, as appropriate to the circumstances.

Visitors' comments will be limited to three (3) minutes for each agenda item upon which comment is made. Visitors are precluded from speaking on any agenda item more than once during each meeting.

Sincerely,

Your Board of Education
