PART II: REGULAR BOARD MEETING began at 5:43 PM

I. Superintendent's Report – Dr. Gallagher

Superintendent's Report

Dr. Gallagher praised the HS graduation, Moving Up, and Promotion ceremonies; summer school begins next week; welcome new administrators and staff.

II. President Ryan called for Board of Education Comments

Board of Education Comments

- President Ryan welcomed the two new Board of Education members Sam Pinto and Tina Posterli.

III. President Ryan called for Questions and Comments from the Public – Items on Today's Agenda Only

Questions/Comments from Public – Items on Tonight's Agenda Only

- Patricia McCluney – 109 Franklin Blvd – commented that twenty years ago there were centralized pickups for Holy Trinity; for ten years there have been regular pickups; spoke with Sharon at NYSED who told her it was the district's discretion. Thanked Mr. DeVito for meeting at transportation on June 14; two schools were over 15 mile limit; vocational outside 15 miles; will IEP students be impacted for Catholic Schools (no); saving district \$750,000 by sending kids to private schools.
- Eileen Curran – 960 Gerry Avenue – attended meeting on June 14; measured driving not walking distances; asked three times for driving only; not computed by student address; Google is shortest; cannot use Meadowbrook as pedestrian; misunderstanding of Transfinder calculations.
- Dave Daminao – 453 W. Beech St – LB is a community; \$140 million budget; \$3 million for Holy Trinity; avoid \$37 million; frustrating to be here; seems mean-spirited; justify lesser IP tuition; please honor appeal.
- Casey Whelan – attorney and former HT student – requested transportation for HT; asked for flexibility.
- Stacy Karlis – 311 New York Avenue – we don't have all the facts; sees only HT.
- Christine Kelly – 616 Chester Street – BOCES schools are over 15 mile limit; asked to see law.
- James Rich – may have two students going to Holy Trinity; state not paying for transportation is cost saving measure? Unfair, saving the district money, precedent has been set.

President Ryan noted that cost per student is incorrect – it is \$20,000 not \$37,000. Attorney Frazer explained that small city school districts have no obligation to transport; "like" circumstances public/private; 15 miles can only be changed by voter proposition; transportation must cease if voted down; not discretionary; BOCES is public school and LB is part of the program; distance doesn't matter. Mr. DeVito used a consistent measure; one method only allowed; Transfinder is beneficial because it uses shortest distance; we deny families every year not just Holy Trinity.

Public Comments (continued)

- Joe Perchinelli – 29 Fairway Road – understanding the spirit, what does BOE plan to do about crossing the street.

Mrs. Vrona asked if BOE has discretion once the 15 mile limit is chosen.
Attorney Frazer responded that an anchor child can provide central pickup points.
Mrs. Vrona asked about special precautions for crossing the street (no).
Dr. Gallagher noted that public school students do not get that.
Mrs. Vrona asked who to contact regarding mileage miscalculations (Mr. DeVito).
