

**LONG BEACH PUBLIC SCHOOLS**  
**Long Beach, New York**

January 26, 2010

Ladies and Gentlemen:

The Long Beach Board of Education is the authorized state agency responsible for setting educational policy in the district. It consists of five trustees, each serving a three year term. Board members pay school taxes at the regular rate and receive no salary or other financial compensation.

All meetings, except executive sessions, are held before the public. Tonight's meeting is a public worksession of the board. Worksessions provide opportunities for the Board to deal with specific educational and other operational matters critical to the effective running of district, in order to provide the Board with the information they need to set school district policy. Visitors are invited to submit questions pertaining to the worksession topic after the worksession presentation and Board discussion are complete. On occasion, the Board may include specific action items on the agenda prior to the start of the worksession or after the worksession business is concluded.

Visitors who wish to address the Board on matters other than those pertaining to the evening's worksession topic are asked to defer their comments until the next regular Board business meeting.

Sincerely,

Your Board of Education
