Long Beach, New York

July 24, 2012

Ladies and Gentlemen:

The Long Beach Board of Education is the authorized state agency responsible for setting educational policy in the District. It consists of five trustees, each serving a three-year term. Board members pay school taxes at the regular rate and receive no salary or other financial compensation.

All meetings, except executive sessions, are held before the public. Members of the public may address the Board of Education on any specific agenda item during special times reserved for that purpose prior to Board discussion and action. The public may also address the Board of Education on any matter of concern at a second public session after the Board of Education completes agenda action items. Visitors should not address the Board in public relative to questions or comments regarding specific staff members or specific students. Such concerns should be brought to the attention of appropriate staff or to Board members by telephone, in writing, or by scheduling a personal meeting, as appropriate to the circumstances.

Visitors' comments will be limited to three (3) minutes per agenda item to each individual speaker on items on the business meeting agenda and five (5) minutes to speak under new or old business. An individual may speak only once on a specific topic. Visitors are precluded from speaking on any agenda item more than once during each meeting.

SUBJECT: Furniture Installation and Project Management Bid

Dear Michael:

On July 10, 2012, bids were received for the School Furniture, Delivery, Installation and Project Management at the Lido Complex School. Upon review of the bids and evaluating substitute products proposed by the bidders, it was decided that purchasing from state contract was in the best interest of the school district.

Bids for the Project Management, delivery and installation were reviewed and confirmed between the two bidders. Based upon such bids, Young Equipment Sales submitted the lowest qualified bid. All of the furniture will be purchased under state contract provisions with the exception of the Hausmann Industries Exam Tables which are not on State Contract.

Young Equipment Sales was the low bidder with a bid total of \$60,048.31 for delivery, installation and management services.

We recommend award to:

Contract: Young Equipment Sales, Inc.
325 Rabro Drive, Suite 1
Hauppauge, NY 11788
Bid Amount: \$ 60,048.31

If there are any questions on this recommendation please let me know.

Sincerely,

CSArch
